

**Delaware FFA Days of Service**  
**Sponsored By: National FFA Organization,**  
**Living to Serve Grant**  
March 7, 2023

This is the seventeenth year that Delaware FFA has chosen to participate in a Day of Service during our State Convention. Over 125 members will be giving back to the community of the State of Delaware, and globally as they participate in “*Living to Serve.*”

**Blessing Bags for Veterans, Centre Ice Rink:**

There are over 75,000 veterans living in Delaware as of 2022. These veterans are heroes of World War II, Vietnam, Korean, and both Gulf Wars. There are currently five VA facilities in Delaware.

What we will do:

- Pack blessing bags with toiletries, socks, and snacks.
- Promote veteran support through this event
- Work with local veterans groups and the Delaware Division of Veterans of Foreign Wars in Delaware to deliver packed blessing bags.
