

Livestock Evaluation CDE

(rev. Oct 2023)

Purpose

The purpose of the FFA Livestock Evaluation Career Development Event is to (a) understand and to interpret the value of performance data based on industry standards; (b) to make accurate observations of livestock; (c) to determine the desirable traits in animals; (d) to make logical decisions based on these observations; (e) to discuss and to defend their decisions for their placing; (f) to instill an appreciation for desirable selection, management and marketing techniques.

Eligibility

This event is held during the Delaware State Fair. It is open to all high school FFA chapters and FFA members in good standing. Members that have participated in a previous national event or previous state winning teams in this area are ineligible.

Event Procedures

- A. Each team will be comprised of up to four members. All four scores will be used to determine the total team score.
- B. The Official Dress for this event will be an FFA T-shirt, jeans, and sneakers/hard shoes. No shorts or open-toed shoes. Contestants wearing either will not be allowed to compete.
- C. Participants will report to the Centre for registration. Then they will do their keep/ cull classes via video before reporting to the Kent Building for judging. At the conclusion of the judging, members will return to the Centre for the remainder of the contest.
- D. Chapters that show up late will receive zero points for any section that they have missed.
- E. Participants will not be allowed to possess any personal electronic devices (i.e. cell phones, smart watches, air pods, etc) other than those approved by event officials. Participants who possess personal electronic devices without prior approval of the event officials will be disqualified from the event.
- F. Contestants will rotate through each species until all classes are complete. There is to be no talking during the event. Any contestant that violates this rule will receive zero points for that class!
- G. Contestants must bring pencils and clean clipboard for this event.
- H. Materials provided by the state:
 - Paper for reasons will be provided.
 - No notebooks are permitted, only clipboards and calculators will be allowed.
 - Scantron score sheets will be used in the event to record all responses.
 - Folders will be distributed along with the scantron to keep them from getting wet or having damage to the side with the OMR. Drawing, writing, and any other marks on these folders is a 10 point deduction for that team member.

Event Format

A. Team Activity - 300 points total

1. **1. Questions Class - 50 points: All (4) team members will work together to answer 10 questions based on one of the live animal classes; scenario and/or performance data may be provided as needed. Teams will have 15 minutes to complete this section.**

B. Individual Activities

1. Livestock classes - 50 points/class, 300 points total
Six placing classes (sheep, swine, beef cattle, and market goat). Classes will be determined by availability of animals at the Delaware State Fair. Contestants will be given 15 minutes for each class.
2. **Keep/Cull Classes - 50 points/class- Each class will contain 8 animals, which will be shown on video & contestants will also be provided with production data to utilize in making their decisions. Each animal will be assigned a point value, with the correct answer totaling 50 points. Contestants will have 15 minutes to evaluate each class.**
3. Oral reasons - 50 points/class, 150 points total
Three sets of oral reasons will be designated by the event chair at the beginning of the event. Reasons will be given after all classes have been placed in an area designated by the CDE Chairs. Participants will be provided paper to take notes on each reason class for preparation.
