

## **Agriscience Education Program of Study Lead Teacher**

The Delaware Department of Education is seeking agriscience educators who are highly energetic and self-directed to serve as a Agriscience Education Program of Study Lead Teachers for the following program of study areas:

Animal Science

Plant Science

Natural Resource Management

Power Structures and Technical Systems

Middle Grades Agriscience

Under the general supervision of the Education Associate, Agriscience, the Agriscience Education Program of Study Lead Teachers will work collaboratively with their fellow educators to plan, coordinate, and evaluate the annual DAAE Summer conference.

The POS Teacher Leaders will complete the following work, and all work will be completed outside of the schoolwork hours.

1. Assist with planning summer professional learning.
2. Check in with teachers by scheduling and leading conference calls.
3. Support and organize the Schoology by supporting group membership, updates, and resources and leading guided discussions.

### **Qualifications:**

- Currently teach one the respective approved agriscience education programs of study: Animal Science, Plant Science, Natural Resource Management, Power Structures and Technical Systems, or Middle Grades Agriscience;
- Have at least three years of teaching experience;
- Be a dues paid member of DAAE;
- Have the ability to complete multiple assignments concurrently; and
- Be independent, self-directed, and flexible;

Contract Period: March 15, 2025 – June 30, 2025

Rate of Pay: \$1,950

*Interested applicants should submit a current resume before 5PM on February 21, 2025:*
